**RE: FedEx AWB 882558671743**

Dear US Customs,

The two parcels associated with FedEx AWB 882558671743 contain the following items, in total:

- 9 (Nine) printed books over 100 years old, AND
- 29 (Twenty-Nine) Engravings over 100 years old.

The goods fall under HTS Chapter 49 and HTS heading 9702 respectively, and it is thus worth quoting the new IEEPA statement:

“Goods properly classified under the following headings and subheadings of the HTSUS may qualify for the exception under 9903.01.22, 9903.01.12, 9903.01.03, and **9903.01.31: Chapter 49**; goods provided for in headings 3704, 3705, 3706, 5807, 8310, and **9701 through 9705, inclusive** [...]” (source: International Emergency Economic Powers Act (IEEPA) Frequently Asked Questions, <https://www.cbp.gov/trade/programs-administration/trade-remedies/IEEPA-FAQ>)

As a reminder that **all of these goods are exempt from the new emergency tariffs imposed on April 2, 2025.**

A detailed list of contents can be found on the next page. These items are being imported for resale by a business (EIN [REDACTED]). Please don't hesitate to get in touch if any further information or documentation is required. THANK YOU FOR YOUR ATTENTION TO THIS MATTER!

Yours sincerely,

David Rueger
